HARBORSIDE AT MATAGORDA, TX

ON SALE NOW is our NEW, luxurious 3/3/3 custom home with so many extras it's hard to mention them all! This elegant home has four large covered decks; maintenance free exterior; a screened rear porch; water resistant laminate floors, recessed lighting, crown molding and ceiling fans throughout. The gourmet kitchen features granite countertops and Jenn-Air stainless appliances. The master suite has an extra large shower, Jacuzzi tub, his and her vanities and walk-in closets with a separate lavatory. The open air floor plan offers sensational views of the coastal environment by day, and the electric fireplace provides a cozy atmosphere at night.

The extra large garage is built to easily fit a bay boat and protect it from the salt air elements. Air conditioned storage, another full bath and an exceptional bonus room round out the lower level. City water and sewer are already in place. Enjoy saltwater fishing from your back yard. Lots are inside the protection levee system providing storm protection and much lower insurance rates but extend to the water at the exterior base of the levee providing waterfront access. This home is MOVE IN READY!
