The Latchkey is an afterschool program free to the kiddos in our community and funded by donations. The Latchkey kids not only have a safe place to go for the afternoon, but they receive help with homework, enjoy activities together, and get to hang with friends!

The Matagorda Volunteer Fire Dept are our local heroes. They provide a service to this little town that is of the utmost importance, and it is our community's duty to keep this organization in the best shape possible. Plus the Fireman's Hall has been home to so many Matagorda events!
